On January 17th the Knights hosted a Wife Appreciation Dinner at the Lady of LaSalette Church Hall. More than fifty wives were invited. Eight round tables were set for 8 people each with white table cloths and decorations fit for a queen. By 6:30, when dinner was served by Vittles Catering Service, all tables were occupied by the honorees and their escorts. The food was great and enjoyed by all. DJ Robb furnished the music for dancing and listening pleasure. Cory Shannon, one of our own Knights, was the official photographer. He took many pictures and a few are attached.

By 11:30 the DJ had tired most of us out so we said our good nights and thank yous for a wonderful evening. If you were not there you will never know what you missed.

From the Membership Director

Our membership has increased in the past few months. But there are still many Catholic Gentlemen over 18 years of age in our parish that have not joined the Knights. I have been asking some of them why they are not a Knight and many of the answers I get are "I don't know", or "I haven't been asked." If you know someone that is not a Knight, ask him to join.
